

CSGN MEMBER PACKAGE

2023 – 2024

THE JOSHUA PACKAGE

This package is for a new school developer who wants the support of a school development team as they lead a CSGN school village in their local community.

Benefits Include:

- The "School Journey to Open" (JTO) program (10 months) with a CSGN representative.
 - Establish the foundational paperwork for private schools
 - Establish Governance
 - Establish Leadership/Operations
 - Establish a Funding Model
 - Establish Mission/Strategy/Goals
 - Establish Marketing & Enrollment Plan
 - Establish the Human Resource program for hiring staff
 - Establish Curriculum/Academic program and more
- Develop a custom model for your school model of choice, In Person, Virtual, or Hybrid school.
- Assist the school in establishing a membership with a national school association.
- Assist the school-village in establishing the curriculum for grades K-3 thru 12th grade.
- Assist the school with establishing the special education program.
- Assist the school in fundraising and establishing a donor program for continued funding.
- Assist the school in preparing for accreditation.
- Meet with the school team bi-weekly to establish the school program and continue with monthly meetings after the school opens.
